

PRINCESS
CHARLENE
OF MONACO
FOUNDATION

Since December 2012,
the Princess Charlene of Monaco
Foundation saves lives by fighting
against drowning and develops
the education of children through
the values of sport.

DROWNING

Drowning is the **3rd leading** cause of unintentional injury death worldwide, claiming around **300 000** lives by drowning each year.

Children **aged under 5 years** account for nearly a quarter of all drowning deaths.

Drowning is the **fourth leading** cause of death for children **aged 1–4 years** and the **third leading** cause of death for children **aged 5–14 years**.

92 percent of drowning deaths occur in **low- and middle-income countries**.
